

Chief Executive Officer

- **Creating partnerships to improve outcomes for our vulnerable young people**
- **Fantastic Career Opportunity**
- **Supportive and Encouraging Board**

The Central Ranges LLEN (CRLLLEN) is an outcome focused organisation that creates networks and partnerships that provides opportunities for improved pathways in education, training & employment for the young people of our communities in the age range of 10-19 years. The CRLLLEN area includes the Shires of Murrindindi, Mitchell and Macedon Ranges and is one of 31 established by the Victorian Government to improve the education, training and employment pathways of young people. The organisation is seeking their next influential and inspiring leader to manage, support and implement their initiatives.

As the Chief Executive Officer you will be a self-motivated person who will lead, manage and support the overall operations and functions of the CRLLLEN in line with the organisational goals. Reporting to a very supportive Board you will be instrumental in implementing the strategic plan and initiatives developed by CRLLLEN. You will develop strong and effective working relationships with key stakeholders, communities and staff to ensure that we provide leadership, motivation & opportunities with strong avenues of communication established and maintained between the CRLLLEN and the key stakeholders & communities in the three municipalities which make up the CRLLLEN. The CRLLLEN is a Catalyst for improved outcomes for our young people.

Key selection criteria:

- Experience and demonstrated ability to provide leadership and management in good governance, policy development, financial management, education, training and employment
- Demonstrated high level interpersonal, oral and written communication skills
- An understanding of, and commitment to, the policies and targets of the Victorian government in relation to education, training and employment of young people
- An awareness of the contemporary issues facing rural and regional communities and the young people within those communities
- Demonstrated capacity to initiate, support and manage change processes in a complex environment
- Demonstrated experience and skills in community development and an ability to lead staff and implement and manage effective and efficient administrative processes across a range of contacts and projects ensuring contractual requirements are met within agreed budgets and timelines.

If you are proven leader with a passion for our youth and assisting in providing improved opportunities for their future direction we want to hear from you! Call now for further information!
